Capital Area Chapter 2017 Looking back

AAAEA
Arab American Association
of Engineers and
Architects

Mission Statement

AAAEA is a professional Arab American association dedicated to help, strengthen, empower and inspire its members for excellence. AAAEA promotes and advocates the Arab American Engineers, Architects and Computer Science professionals in North America, by providing career and educational enhancement programs, technical exchange, fellowship, and community service. AAAEA is a non-profit, non-political and non-religious Professional Association. Membership is open to corporations, academic, professional institutions, and qualified individuals.
